

## Retractable Window Screen Systems

### VERTICAL RETRACTABLE WINDOW SYSTEMS

36mm Cassette

Genius vertical window screen systems add a distinctive touch to any window. This unique design is small enough to rest virtually unnoticed in the reveal of a window. Customize in your shop or in the field for a fast and easy installation. Because the screen is protected when not in use, there is never a need to remove and store screens during the winter.

## Retractable Screen Door Systems

36mm Cassette

**PETITE DESIGN** - The petite design of the 36mm Retractable Screen makes it perfect for most door applications. This Retractable Screen is small enough to rest virtually unnoticed in the jamb area of most swing doors and in the meeting rail of most sliding Patio Doors. The standard 36mm cassette housing contains 54" of 18 x 16 screen fabric. The Genius TuffScreen series 36mm cassette housing contains 42" of 18 x 14 screen fabric.

41mm Cassette

**DELUXE DESIGN** - This Deluxe Design 41mm Retractable Screen is stylish and has added rigidity for taller doors. It is best for larger/wider openings or anywhere you may need more screen. The standard 41mm cassette housing contains 66" of 18 x 16 screen fabric. The Genius TuffScreen series 41mm cassette housing contains 54" of 18 x 14 screen fabric.
