Plungers' Mate Tool Display

This new tool covers an existing bathtub C.W.O. faceplate and blocks airways therefore creating a seal that allows one to easily plunge a bathtub drain.

Plungers' Mate Tool Display Features:

- Includes a quantity of (10) Plungers' Mate tools (Item # P-140PC).
- Counter Display Size: 5" x 4-1/2".
- Can be used on any Counter.
- Each Plungers' Mate tool is barcoded and includes instructions.
- Excellent impulse item for plumbers and do-it-yourselfers!
- The Plungers' Mate tool is a new patented tool for clearing the clog out of bathroom tubs.
- Saves money and time.
- The Plungers' Mate tool makes plumbing jobs easier for both professionals and DIYers.
- Ideal solution to "block all other outlets before plunging", as instructed by plunger manufacturers.
- A sanitary solution and eliminates the need for the use of rags and fume causing products.
- The overflow cover works with the plunger to allow the user to focus on the job at hand.
