

*Shower Door Hardware*  
*Table Top Display*

**Part #: 500-358**

***\$245.00 with a \$50 credit in 12 months when you purchase \$1,000 of our new shower door hardware.***

Strybuc is now stocking a new line of frameless shower door hardware. Now available for preorders is our new Counter Display (part#: 500-358).

This hardware includes a full line of standard duty and heavy duty hinges, glass clamps, door handles, knobs, towel bars, sealing strips and a gliding shower door system.

Hardware comes in a square edge and bevel edge design in bright chrome and brushed nickel finishes.

Made of solid brass with stainless steel screws; handles made of stainless steel; with quality testing performed through-out the manufacturing process.
