(Sell 40,000 Hardware Products in Your Store Today!)

Store visitors can shop over 40,000+ popular, hard to find and obsolete window and door parts using the touch-screen online store and printed catalog.

Choose from a Counter Kiosk Pro station or Floor Kiosk Pro. User-friendly Kiosk makes shopping for parts simple:

1. Store visitors find the part they need.
2. Add to cart.
3. Enter a credit card, and the part is delivered direct to your store or drop-shipped to your customer.

No need to stock hundreds of specialty hardware items. Offer this service to your residential and commercial accounts to increase store traffic. Small enough to fit on most counters. Floor models are a perfect fit for an end-cap unit.
